

Medical Ally, for your healthcare journey

Considering surgery?

Know your options

Connect with a **Medical Ally** to understand the risks and benefits of surgery, alternative treatment options, and pain management techniques.

Ways to get started

- Understand surgery risks, benefits, and alternative treatment options
- Find the best doctors and hospitals for your care
- Be better prepared for surgery and recovery
- Manage pain and cope with stress

You may qualify for \$400

If your doctor recommends **lower back surgery (lumbar spine), hip or knee replacement (osteo or rheumatoid arthritis), bariatric/weight loss surgery (obesity), or hysterectomy (uterine fibrosis/endometriosis)**, you may qualify for a **\$400 prepaid card** just for learning more about your treatment options. Call for terms and conditions.

I wasn't sure about knee replacement surgery. So grateful my **Medical Ally** arranged a second opinion.
