

# Healthcare can be less complicated

Introducing your **Medical Ally** — part of your benefits — to save time, money, and energy.

Your Medical Ally offers compassionate, independent information to help you and eligible family members:

- **Understand a diagnosis and treatment options**
- **Find the highest quality providers and treatment facilities**
- **Get a second opinion**
- **Clear up medical bill questions\***
- **Cope with stress and anxiety**
- **Prepare for surgery and recovery\***

Your Medical Ally can help you understand the risks and benefits of surgery, suggest ways to manage your pain, and be there for you throughout recovery.

*If your doctor recommends elective lower back surgery (lumbar spine), hip or knee replacement (osteo or rheumatoid arthritis), bariatric/weight loss surgery (obesity), or hysterectomy (uterine fibrosis/endometriosis), you may qualify for a **\$400 prepaid card** for learning more.*

## **Behavioral Health support\***

Your Medical Ally can help you understand your behavioral health condition and treatment options, find you the highest quality providers and treatment facilities, schedule appointments, and coordinate care. Support is also available to caregivers.

## **Specialized Cancer support\***

Your Medical Ally offers a specialized cancer care program to ensure you receive high quality care if you or a covered dependent are facing a cancer diagnosis. You may even be eligible for a **\$500 Health Savings Account (HSA) contribution** for participating in the program.

## **Make more confident healthcare decisions with your Medical Ally**

*"I wanted to say thank you for the wonderful help, chats, and advice I got from my Medical Ally. She was so helpful in any questions or concerns I had with my recent diagnosis. I found this service through Honeywell priceless. I had no idea this was something offered and so glad my spouse found it. The doctor reviews and information on my stage, etc. was top notch. Thanks again and this will help many others, I am sure!"*
